
We only build on acreage where families can spread out and
enjoy the freedom of wide open space.

GAIN YOUR FREEDOM

*More than 15 uniquely designed, spacious home plans
ranging from 2,058 square feet to more than
4,000 square feet*

EXTERIOR

Exquisite architectural designs with stone, brick or stucco. Give your home a distinctive look with a mahogany front door, stunning landscape and expansive porches. Spread out with outdoor space — perfect for backyard cooking, workshops, a guest house, pool and more.

LIVING

Our spacious floor plans make for open living areas and unbelievably large closets. The oversized garage is well-suited for storing boats, trailers and other vehicles. You can choose from the finest interior finishes, including raised panel interior doors and wood blinds to rounded sheetrock corners and art niches.

KITCHEN

Experience elegance and sophistication in your kitchen space with 42" maple cabinets, ceramic tile backsplash and granite countertops as well as spacious islands. We build with stainless steel appliances including oven, dishwasher and microwave.

LUXURY BATH

Revel in a luxurious oversized garden tub and shower with ceramic tile backsplash, granite countertops, brushed nickel or upgraded oil rubbed bronze fixtures and elongated toilets in all bathrooms.
